Please call for help to access the best health care!

We will help you:

- Find the highest quality providers near you
- Navigate the complex world of health care
- Answer any questions you have

You must call a nurse before any procedure to receive the waived deductible and/or coinsurance. This cannot be done retroactively.

Your deductible is waived ONLY if you:

- Contact a nurse PRIOR to your visit
- Choose the highest quality option
- Need a benefit listed HERE
